

decrease by 31 acres, from 1,784 acres to 1,753 acres. The BLM's approval of the proposed plan of operations modification would extend the mining and processing until 2034.

The purpose of the public scoping process is to determine relevant issues that will influence the scope of the environmental analysis, including alternatives, and guide the process for developing the EIS. At present, the BLM has identified the following preliminary issues: (a) Potential to create acid rock or heavy metals drainage from mining activities, and ensuring that there is no degradation of waters of the state or unnecessary or undue degradation of public lands; (b) Potential for an acidic pit lake to form after mining activities cease; (c) Potential impacts to Golden Eagle habitat and wildlife habitat; and (d) Potential impacts to cultural sites. The BLM will analyze a combination of proposed environmental measures and possible mitigation to reduce or eliminate any impacts associated with the proposed action.

The BLM will use NEPA public participation requirements to assist the agency in satisfying the public involvement requirements under section 106 of the National Historic Preservation Act (NHPA) (16 U.S.C. 470(f)) pursuant to 36 CFR 800.2(d)(3). The information about historic and cultural resources within the area potentially affected by the proposed plan of operations modification will assist the BLM in identifying and evaluating impacts of approving the mine expansion to such resources in the

context of both NEPA and section 106 of the NHPA.

The BLM will consult with Native American tribes on a government-to-government basis in accordance with Executive Order 13175 and other policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration. Federal, State, and local agencies, along with tribes and other stakeholders that may be interested in or affected by the proposed plan of operations modification that the BLM is evaluating, are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM to participate in the development of the environmental analysis as a cooperating agency.

ACCEPTANCE

The undersigned, the Buyer in the above Assignment, hereby accepts the same and agrees, subject to the approval of the Secretary of the Interior acting through the National Park Service, to carry out fully and to perform all of the obligations imposed upon said Seller, by the terms and provisions of the Contract from and after the date of approval by the Secretary. The undersigned Buyer further understands and agrees to the following conditions of the Secretary's approval of this Assignment:

1. Assets acquired by the Buyer from the Seller must be recorded at an amount that will not exceed fair value as defined in the Contract, or if the Contract does not define fair value for a particular class of assets, an amount that will not exceed the fair market value of the asset.
2. To assume all obligations of the Contract incurred by the Seller prior to the effective date of the Assignment if the Seller fails to perform them, including, but not limited to, payment of franchise fees, payment of utilities provided by the National Park Service, and deposits to capital and government improvement accounts, if any.
3. Within 60 days after approval of the Assignment, a copy of an itemized Bill of Sale covering all transferred assets will be provided to the National Park Service.
4. The purchase price or any debt to be incurred in connection with the Assignment will not be used at any time by the Buyer or any related party as justification for:

- a. An increase in rates to charged to the public;
  - b. A waiver or reduction of franchise fees or other Contract requirements; or
  - c. Any claim that the terms of the Contract do not provide a reasonable opportunity for profit.
5. The National Park Service, when developing the requirements of any subsequent concession contract for this operation, will not take into account the purchase price or any outstanding debt resulting from this Assignment. Franchise fees and other contract obligations for the subsequent concession contract will be established based on the probable value to a concessioner of the authorization as determined by the National Park Service. The Buyer assumes all risk in this connection.
6. In the event that the Buyer is not awarded a subsequent concession contract, neither the National Park Service nor the successor concessioner will bear any liability for any debt incurred by the Buyer in connection with this Assignment.
7. The Buyer represents that it has not been advised by the National Park Service or any official of the United States government that the National Park Service or other government official considers the terms of this transaction to be reasonable or that the Buyer may expect to earn a profit under the terms of the Contract and this transaction.
8. Approval of this Assignment by the Secretary in no manner implies the existence of or grants any preferential right to the award of any subsequent concession contract, and Buyer waives any right to assert any preferential right or other benefit based on approval of this Assignment by the Secretary.
9. Buyer will not utilize this approval in any form or manner, including, but not limited to, any litigation, proceeding or hearing, involving the National Park Service or the United States of America, as evidence of any fact or matter other than that the National Park Service approved the Assignment in accordance with Section 408 of the National Park Service Concessions Management Improvement Act of 1998 (P.L. 105-391).
10. Notwithstanding any representations made by the Buyer to the National Park Service or the Seller or other persons as to the value of the Contract or possessory interest, if any, or as to any other matters related to this transaction, the National Park Service, by approving this Assignment, expressly is not agreeing to, approving or concurring in any such representations. The National Park Service reserves the right to challenge any representations made by the Buyer in any future matters concerning the Contract and the National Park Service, including, but not limited to, the value of any possessory interest granted by the Contract, if any.
11. That, to the extent that the Seller may have been allocated user days or other access privileges to the park area for the purposes of the Contract, such allocations are subject to change or elimination by the National Park Service and that the Contract does not grant such allocations as a matter of right to the Buyer or any subsequent concessioner.

12. The approval of this Assignment by the Secretary shall not be construed, in any manner, as amending, altering or waiving any terms and conditions of the Contract.

13. The approval of this Assignment by the Secretary does not in and of itself constitute approval of any financial transaction or encumbrance associated with this Assignment. If such financial transaction or encumbrance must by law be approved by the Secretary, the Secretary's approval of any such associated financial transaction or encumbrance, if granted, will be provided in a separate document.

## 5. Fees

### (a) Adjustment of Franchise Fee

- (1) The Concessioner or the Director may request, in the event that either considers that extraordinary, unanticipated changes have occurred after the effective date of this Contract, a reconsideration and possible subsequent adjustment of the franchise fee established in this section. For the purposes of this section, the phrase "extraordinary, unanticipated changes" will mean extraordinary, unanticipated changes from the conditions existing or reasonably anticipated before the effective date of this Contract which have or will significantly affect the probable value of the privileges granted to the Concessioner by this Contract. For the purposes of this section, the phrase "probable value" means a reasonable opportunity for net profit in relation to capital invested and the obligations of this Contract.
- (2) The Concessioner or the Director must make a request for a reconsideration by mailing, within sixty (60) days from the date that the party becomes aware, or should have become aware, of the possible extraordinary, unanticipated changes, a written notice to the other party that includes a description of the possible extraordinary, unanticipated changes and why the party believes they have affected or will significantly affect the probable value of the privileges granted by this Contract.

- (4) The negotiation will last for a period of sixty (60) days from the date the Concessioner and the Director agree that extraordinary, unanticipated changes occurred. - (5) If the negotiation does not result in agreement as to the adjustment of the franchise fee within this sixty (60) day period, then either the Concessioner or the Director may request binding arbitration to determine the adjustment to franchise fee in accordance with this section. Such a request for arbitration must be made by mailing written notice to the other party within fifteen (15) days of the expiration of the sixty (60) day period.
- (6) Within thirty (30) days of receipt of such a written notice, the Concessioner and the Director will each select an arbiter. These two arbiters, within thirty (30) days of selection, must agree to the selection of a third arbiter to complete the arbitration panel. Unless otherwise agreed by the parties, the arbitration panel will establish the procedures of the arbitration. Such procedures must provide each party a fair and equal opportunity to present its position on the matter to the arbitration panel.
- (7) The arbitration panel will consider the written submissions and any oral presentations made by the Concessioner and the Director and provide its decision on an adjusted franchise fee (up, down or unchanged) that is consistent with the probable value of the privileges granted by this Contract within sixty (60) days of the presentations.
- (8) Any adjustment to the franchise fee resulting from this section will be prospective only.
- (9) Any adjustment to the franchise fee will be embodied in an amendment to this Contract.
- (10) During the pendency of the process described in this section, the Concessioner will continue to make the established franchise fee payments required by this Contract.

## 6. Indemnification

The Concessioner must also give the Director immediate notice of any petition or other proceeding against the Concessioner for the appointment of a trustee, receiver, or liquidator, or, the taking by any person or entity of the rights granted by this Contract or any part thereof upon execution, attachment or other

process of law or equity. For purposes of the bankruptcy statutes, NPS considers that this Contract is not a lease but an executory Contract exempt from inclusion in assets of Concessioner pursuant to 11 U.S.C. 365. #### 8. Additional Provisions

- (a) This Contract contains the sole and entire agreement of the parties. No oral representations of any nature form the basis of or may amend this Contract. This Contract may be extended, renewed or amended only when agreed to in writing by the Director and the Concessioner.
- (b) This Contract does not grant rights or benefits of any nature to any third party.
- (c) The invalidity of a specific provision of this Contract will not affect the validity of the remaining provisions of this Contract.
- (d) Waiver by the Director or the Concessioner of any breach of any of the terms of this Contract by the other party will not be deemed to be a waiver or elimination of such term, nor of any subsequent breach of the same type, nor of any other term of the Contract. The subsequent acceptance of any payment of money or other performance required by this Contract will not be deemed to be a waiver of any preceding breach of any term of the Contract.
- (e) No member of, or delegate to, Congress or Resident Commissioner will be admitted to any share or part of this Contract or to any benefit that may arise from this Contract but this restriction will not be construed to extend to this Contract if made with a corporation or company for its general benefit.

The Director may recommend that the Concessioner be debarred or suspended in accordance with the requirements and procedures described in those regulations, as they are effective now or may be revised in the future.

The preceding provisions A(1) through A(8) governing performance of work under this CONTRACT, as set out in Section 202 of Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, shall be applicable to this CONTRACT, and shall be included in all contracts executed by the Concessioner for the performance of construction, repair, and similar work contemplated by this CONTRACT, and for that purpose the term "CONTRACT" shall be deemed to refer to this instrument and to contracts awarded by the Concessioner and the term "Concessioner" shall be deemed to refer to the Concessioner and to contractors awarded contracts by the Concessioner.

#### C. Facilities

(1) Definitions: As used herein:

- (a) Concessioner shall mean the Concessioner and its employees, agents, lessees, sublessees, and contractors, and the successors in interest of the Concessioner;
- (b) Facility shall mean any and all services, facilities, privileges, accommodations, or activities available to the general public and permitted by this agreement.

#### Section II: Accessibility

Title V, Section 504, of the Rehabilitation Act of 1973, as amended in 1978, requires that action be taken to assure that any "program" or "service" being provided to the general public be provided to the highest extent reasonably possible to individuals who are mobility impaired, hearing impaired, and visually impaired. It does not require architectural access to every building or facility, but only that the service or program can be provided somewhere in an accessible location. It also allows for a

wide range of methods and techniques for achieving the intent of the law, and calls for consultation with disabled persons in determining what is reasonable and feasible.

No handicapped person shall, because a Concessioner's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity receiving Federal financial assistance or conducted by any Executive agency or by the U.S. Postal Service.

#### A. Discrimination Prohibited

A Concessioner, in providing any aid, benefit, or service, may not directly or through contractual, licensing, or other arrangements, on the basis of handicap:

- (1) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;
- (2) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
- (3) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;
- (4) Provide different or separate aids, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;
- (5) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program;
- (6) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or
- (7) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

#### B. Existing Facilities

A Concessioner shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not require a Concessioner to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

EXHIBIT B  
OPERATING PLAN  
2005

I. INTRODUCTION

This Operating Plan between Alaska Wilderness Trips, Inc. (hereinafter referred to as the "Concessioner") and Lake Clark National Preserve (hereinafter referred to as the "Service") shall serve as a supplement to Concession Contract CC-LACL-002-05 (hereinafter referred to as the "CONTRACT"). It describes specific operating and maintenance responsibilities of the Concessioner and the Service with regard to those lands utilized by the Concessioner for the purposes authorized by the CONTRACT.

In the event of any conflict between the terms of the CONTRACT and this Operating Plan, the terms of the CONTRACT, including its designations and amendments, shall prevail.

This plan will be reviewed annually by the Superintendent in consultation with the Concessioner and revised as determined necessary by the Superintendent of Lake Clark National Park and Preserve.

Any revisions shall not be inconsistent with the main body of this CONTRACT. Any revisions must be reasonable and in furtherance of the purposes of the CONTRACT.

II. MANAGEMENT AND ORGANIZATION

*National Park Service* – The Superintendent is responsible for the total park operation. The Superintendent has designated the Concessions Chief as the staff person responsible for day-to-day concession operations. Law enforcement/visitor protection matters are delegated to the Chief Ranger. Resource Management and Compliance matters are delegated to the Chief of Natural Resource Management and Chief of Cultural Resource Management. Each of these may designate a specific contact person to handle routine matters.

*Concessioner* – Concession operations will carry out the policies and directives of the Service as well as those of the Concessioner in the operation of the authorized concessions services in Lake Clark National Preserve. The Concessioner will manage and, if necessary, employ a staff with the expertise to operate all services authorized under the concessions contract. The primary contact for the National Park Service will be the registered guide who completes and signs the Hunt Record required by the State of Alaska under Alaska Professional Statute 12 AAC 75.210.

#### IV. CONCESSION OPERATIONS

##### A. Resource protection

1. The Concessioner must take adequate precautions to prevent attracting bears into camps and allowing bears to associate humans with food. The grounds around camps shall be kept clean and free of garbage, human waste, junk, and discarded animal hides. All garbage, including residue from garbage that is incinerated, must be removed from the preserve rather than buried.
2. The use of gas or propane stoves is strongly encouraged for cooking. Only dead or down wood may be collected for use as fuel for campfires. Fires may be built only on gravel bars or mineral soil or by using a fire pan. Fires may not be left unattended and must be completely extinguished upon termination of use.
3. Guided hunts are conducted in a manner to be as unobtrusive as possible in order to minimize altering wildlife behavior.

##### B. Hazardous Waste Program

1. No fuel will be transferred or stored within the Preserve.
2. The Concessioner will properly clean, mitigate, and remediate all unauthorized discharges of hazardous materials or non-hazardous chemical and biological products released from any source. Response shall be consistent with guidelines established within applicable federal, state, and local regulations. When a spill, leak, or other release occurs, the Concessioner shall notify the Superintendent as soon as possible without impeding cleanup.

##### C. Handling of Meat and Trophies

Meat will be transported from the field as soon as possible in heavy-duty, insect-proof, cloth game bags that are provided by the concessioner. Antlers and hides are removed from the field after the edible meat is removed.

##### D. Camps and Access

1. Concessioner camps are limited to minimum-impact type tent camps, which must be completely broken down and removed in their entirety from the preserve at the end of the hunting season.
2. Overnight hunting party group size will be limited to eight (8) persons, including guides and employees.

3. No property of any kind may be stored or left unattended for more than 48 hours without prior written permission from the Superintendent. The Concessioner shall remove all property from the preserve at the end of the hunting season.

#### E. Operational Safety Program

1. Any incident involving the killing of game in defense of life and property, or the killing of illegal or sublegal game, must be reported to the State of Alaska and all salvage requirements must be met for the edible meat, hides or other parts as described in State law/regulation. In addition, the Superintendent must be notified within one (1) workday or as soon as practical considering weather conditions, communications, transportation availability, travel time and client safety.
2. All camps will have First Aid Kits and manuals and portable propane heaters suitable for use in tents.
3. Guides will be certified in First Aid and C.P.R.
4. Each guide will have a hand-held two-way radio and GPS device at spike camp. Base Camp will have a single-side-band radio and two satellite phones.
5. Weather permitting, each camp will be flown over daily to check on the camp occupants and communicate with the guide.
6. Potable water is supplied and transported to spike camps from the Base Camp in clean containers.
7. All guides are experienced and familiar with property hygiene and sanitation procedures.
8. A copy of the Backcountry Sanitation Checklist is available in camp and discussed with guides.

#### F. Emergency Operations

6. All guides will carry space blankets, water, energy food, and other equipment while in the field with the hunter.

Lake Clark National Park and Preserve  
Alaska Region - National Park Service

7. In the event the daily fly-over fails to communicate with the guide, a search will begin immediately. Base camp can be contacted by plane radio from almost all points in the Mulchatna Guide Area.

**G. Equipment**

1. Motorized access into the Mulchatna Guide Area is limited to fixed-wing aircraft.
2. Concessioner will maintain and upgrade equipment on a regular basis.

**H. Rates and Reservation/Deposit/Refund/Discount/Cancellation Policies**

1. A highly competitive market exists within the hunting guide industry in Alaska. A sufficient number of hunting guides provide similar services throughout Alaska, resulting in a range of prices and types of hunts available. The pricing of a hunt may not be directly enhanced by its locations within Lake Clark National Preserve. Prices for hunts are also routinely negotiated between guides and clients. Therefore, a competitive market declaration will be the rate approval method for sport hunting guide services.

**I. Interpretive Visitor Services and Client Orientation**

1. The Concessioner shall inform all clients that they are hunting within a National Park Service unit.
2. The Concessioner shall provide clients with information regarding rules and regulations pertaining to the preserve and Alaska sport hunting.
3. The Concessioner will provide an orientation program to clients before they leave Base Camp for the spike camp.

**J. Staffing, Employment and Employee Training**

1. The Concessioner will remain in Base Camp during hunting season in order to personally meet all clients and supervise all guides in the field.
2. The Concessioner will review the contract's Operating Plan with each guide prior to their departure to the spike camp. All guides will be well versed in NPS Guidelines and low impact environmental practices.

**K. Quality of Services**

Lake Clark National Park and Preserve  
Alaska Region - National Park Service

2. The Concessioner will provide to the NPS copies of all client complaints received by the Concessioner within two weeks of receipt by the Concessioner. The Concessioner will provide a copy of the response to the Superintendent.

**M. Compendium**

The Concessioner will comply with all applicable provisions of 36 CFR Part 1 and the park compendium as revised.

### **Insurance Requirements**

#### **I. General**

The Concessioner must obtain and maintain during the entire term of this Contract, at its sole cost and expense, the types and amounts of insurance coverage necessary to fulfill the obligations of the Contract. The Director will approve the types and amounts of insurance coverage purchased by the Concessioner.

At the request of the Director, the Concessioner must, at the time insurance is first purchased and annually thereafter, provide the Director with a Certificate of Insurance that accurately details the conditions of the policy as evidence of compliance with this section. The Concessioner must provide the Director immediate written notice of any material change in the Concessioner's insurance program hereunder, including without limitation, cancellation of any required insurance coverages.

From time to time, as conditions in the insurance industry warrant, the Director may modify this Exhibit, provided that any additional requirements must be reasonable and consistent with the types of insurance a prudent businessperson would purchase in similar circumstances.

The Director will not be responsible for any omissions or inadequacies of insurance coverages and amounts in the event the insurance purchased by the Concessioner proves to be inadequate or otherwise insufficient for any reason whatsoever.

#### **II. Liability Insurance.**

The Concessioner must provide commercial general liability insurance against claims arising out of or resulting from the acts or omissions of the Concessioner or its employees, agents or contractors, in carrying out the activities and operations required and/or authorized under this Contract.

All liability policies must specify that the insurance company will have no right of subrogation against the United States of America and must provide that the United States of America is named an additional insured.

This insurance must be in the amount commensurate with the degree of risk and the scope and size of the activities required and/or authorized under this Contract. The following Liability Coverages and limits are to be maintained at a minimum, all of which are to be written on an occurrence basis only. The Concessioner may attain the limits specified below by means of supplementing the respective coverage(s) with Excess or Excess "Umbrella" Liability. Furthermore, the commercial general liability package must provide no less than the coverages and limits described.

##### **A. Commercial General Liability**

In addition, the insurance companies must be accurately listed along with their A.M. Best Identification Number ("AMB#"). The name, address and telephone number of the issuing insurance agent or broker must be clearly shown on the certificate of insurance as well.

Due to the space limitations of most standard certificates of insurance, it is expected that an addendum will be attached to the appropriate certificate(s) in order to provide the space needed to show the required information.

In addition to providing certificates of insurance, the concessioner, upon written request of the Director, must provide the Director with a complete copy of any of the insurance policies (or endorsements thereto) required herein to be maintained by the concessioner.
